You are only a slave of neoliberalism,you have everything in NationStates but in real life you're nothing,only an insignificant cockroach with a gray future,this is why you do not exist for me,this is why I'm superior than you,because i think!

Got rid of Kill 'Em All just because I don't think I could get into that album enough. Which I kind of expected, from what I heard from my dad.

Either way, that's 13 albums since I woke up...not bad at all.

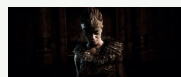

Aaand not sure what I want to listen to next, really...
