When the Government is too scared to commit to any side in WWI but one million Americans still go to fight anyway.

Hmm that sound awfully similar to the current situation in some eastern european country

Highly democratic and freedom-loving population, what if Mongolia and Japan had a child who also has an Indian driving instructor, increasing tensions between Market Socialists and Maoists, eats the aeugh fish, pets the aeugh fish, Aruday metro train doors have a tendency to amputate riders

☐ **Terran American State** ☐ ~~~ *The shining city upon a hill built on the coagulated blood of millions of innocents at profit's hand.*

An alternate history where a oligarchic hegemon led by two ideologically similar and increasingly geriatric parties try desperately to keep the flame of American dominance over Earth at any cost.
