Possibly. I wouldn't be that happy about it.

Bellcon - It's really tough. Though it has many social and environmental benefits (including a superb HDI and up to 90 years of lifespan), I don't know if I'd risk it for lack of safety. I think I would live there since the pros outweigh the cons.

Edit: Work culture seems very dangerous since deaths from work are 42% of total deaths. also, slavery is legal. I wouldn't survive there.

Possibly. Not my first choice, though.
