Depends on who it is and what their intention is. Can be anything between no crime at all and death penalty.

Smuggling drugs.

Leftists abuse politics for their narcissistic need for moral superiority. Ironically, they usually achieve the opposite.

to AAN because AN didn't give a very good answer

depends on how potent the drug is. something like cannabis wouldnt be illegal to import, but more potent drugs like heroin are strictly prohibited

if one plans to use any sort of smuggled drug for medical purposes, thats an instant 100k-fund fine and 2500 hours of community service
/skip, do Regnum Alea Spaceflee instead

Purposefully? 5-10 years in prison. Reckless driving? license is suspended, if it's at least three cyclists in one spree then it's two months in prison as well. Drunk driving is a permanent license removal.

Animal abuse.
