Moderately well known, they only have 200 total posts but by luck, I've caught almost every single one of them.

Very well known around here and maybe in NSG. They've been  
insulted several times around NSG but I'll let them know that I  
support them (^///^).

Similar to a lot of Forum 7 mostly-posters, they're very well-known and liked on Forum 7 and generally not that known outside of that.

I mean, they're simultaneously a member of Osiris, the Brotherhood of Malice, the Black Hawks, and a few other regions; they're probably extremely well known in R/D gameplay. Same could be said for F7, and the gameplay forum.
