Is it your property in Egypt that was 100% not stolen? Can I have a tour of the Nile while visiting it?

Wasco do we do something about Experi's property in the Egypt? I heard it was once owned by Tutankhamun.

Yeah, I saw that poem! It was really cool. And I also saw you having me in your sig a few days ago. Thanks for thinking of me. /•••
I also have to add that flag you made to my pictures factbook.

I see you as one of the active users and it just seems doable to me now, so perhaps Reva? I wish you a great day if so. ^^ And any BN for that matter if it's not Reva. Aaaah and I saw your nasuverse RP thing, if someone else is interested in it and it starts somehow then maybe I could try joining if it's okay.

Alas, no interest is forthcoming. In the deep pits of old PTTM, there was a VERY sizable Fate RP with more participants than I'd know what to do with - where have those days gone?
