Angels. Modern interpretations of angels, with the halo and whatnot.

It also looks space-y, so I guess it's like high tech space angels?

The comedy of manners genre

*"Convallaria: A sprawling sun-soaked dreamscape silhouetted far beyond the ethereal horizons of austere morality and petty mediocrity. But behind the sterile flights of state-sanctioned-fancy lies a paradise lost...a land of milk, honey and sex turned rancid in the sun, as the harshly held colonial disciplines of a bygone era yield to the temptations of society's nighttime fragrances..."*

QUOTE

An SS officer's half assed attempt to hide out in the outback of Australia as "Heinz Fitsch" post-war and hopes no one catches him. This doesn't last very long due to the obvious German accent.
