Sorry, I had to use this, I couldn't pass the opportunity.

"The Sith are masters of the Galaxy. No-one, not even the Jedi can surpass our power."-Darth Nox.
The Sith Empire is one of many Star Wars nations, it is based off the Sith Empire from the popular online RPG known as "Star Wars: The Old Republic", we are in no way connected to the Galactic Empire as seen in the original trilogy.
We must also inform you that we do not use NS-Stats, as we are a spacefaring nation that rules part of a galaxy, those stats would not mesh together with our lore.

Looks at government system

Nah. I'm good. I would take a vacation there tho.

Of course! I love Star Wars.

Rapture City

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. Yet the people would be in for a surprise as their virtual overlord have died many years ago as the oppression continues under his name...
- Not an 1-1 exact replica of **Bioshock** lore and **Rapture City**. Only the city's atmosphere and setting is maintained.

CANON INFO

Show Spoiler

The first part of the document discusses the importance of maintaining accurate records of all transactions and activities related to the business. It emphasizes the need for transparency and accountability in financial reporting.

The second part of the document outlines the various methods and techniques used to collect and analyze data. It highlights the importance of using reliable sources and ensuring the accuracy of the information gathered.

The third part of the document focuses on the analysis of the collected data. It discusses the various statistical methods and tools used to interpret the results and draw meaningful conclusions.

The fourth part of the document provides a detailed overview of the findings and conclusions. It discusses the implications of the results and offers recommendations for future research and practice.

The fifth part of the document concludes the study and summarizes the key findings. It emphasizes the importance of ongoing research and the need for continuous improvement in the field.

No thank you.

There is no divine feminine.

My nations policies are not economic, but a deliberate attempt to kill of the spirits and the sacred forests of the Pagan rebels.

My nation does NOT represent my RL views.

A war-obsessed imperialistic empire that invades parts of the galaxy to turn into an extreme nationalist authoritarian hellhole? Count. Me. Out.

A neutral intergalactic alliance aiming to protect its own peace and liberty, **NOT** an empire!

I only use NS Stats very loosely - I mainly use factbooks - TG's welcome

"United to protect our peace and liberty!"
