So this announcement is focussed specifically on Kūlohelohe's Gifts, my version of 'supernatural powers' (insert ghost noises whoooooooooo) so basically, the tl;dr version of this announcement is: Kūlohelohe's Gifts is getting removed from Apanalua's lore.

Apanaluans waiting for Kūlohelohe to supernatural down their chimney on Christmas Eve to deliver gifts:

The Princessdom of Hyrule. A fanfiction based on the Legend of Zelda :: Twilight Princess that takes place half a decade after the conclusion of the game. A new caste of Hyruleans, no less the newly built army resent the old Guard and Princess-Sovereign Zelda for the surrender of the realm to the Twilight and the weakness of Hyrule from invasion...

Meanwhile, the Zora worry greatly about the militarization of Hyrule, and the Goron less so due to the Economic stranglehold of the Rupee of which they have as leverage.

Never again shall Hyrule fall, and never again shall we sully the name of Hylia under our weakness!

Chash liberated by Uzbek People's Army, giving full control of Occupied Turkestan to its natives. "Every Russian settler will be shot, none will be allowed to flee" Tajik leader Iskandrov says.

That's one way off pissing of neighboring countries and making yourself look like the villain

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, slavery and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by countless loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. Aiming to take revenge on the Republic for its exile centuries ago, the Sith Empire will stop at nothing to become the greatest power in the galaxy.
