Factbooks don't really paint a complete picture, but based on some of their posts, no.

Sure, why not.

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Nope.

"Do or do not, there is no try."-Master Yoda

We are the New Galactic Republic. After the death of Emperor Palpatine and Darth Vader, the New Republic was formed to unite the galaxy under democratic rule and to also establish freedom and peace, the protectors of the New Republic are the Jedi Order, they are lead by Grand Master Luke Skywalker, the most powerful force user in the galaxy. **It should be known that we aren't based on the new Star Wars trilogy, we follow the Expanded Universe lore.**

We don't use NS-stats, it would be unusual considering the franchise we are based on.
