That song is awesome. I loved the sample on one of the trailers, and couldn't wait for it to come out. Love the full version too. My brother was talking about listening to that song and was sad he couldn't dramatically jump over his bed in slow motion, and he added it to a Spotify playlist called "Pretending To Be Badass"

Porcupine Tree-Great Expectations.

That song was brilliant in the terminal, made everything come together perfectly. I'll listen to it for 20 minutes on repeat usually, it's so good it gives me goosebumps. Anyways,

Haven't played the game yet. No money to throw out on a 60 dollar game right now. I'll listen to it for a while too. It gives me goosebumps sometimes, like some trailers do.

Strolling through bands. Went through every single thing Mono ever did yesterday and today (except compilation albums), and now doing the same with Porcupine Tree. Doing this with a bunch of bands....I'm going to be busy. Ones that aren't on Spotify, too, so it's more complicate.d
