Elton John - Sorry Seems to Be the Hardest Word
[Live performance, 2014](#)

*What do I do to make you want me?
What have I got to do to be heard?
What do I say when it's all over?
And sorry seems to be the hardest word*

*It's sad, so sad
It's a sad, sad situation
And it's getting more and more absurd*

*It's sad, so sad
Why can't we talk it over?
Oh, it seems to me
That sorry seems to be the hardest word*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Simon & Garfunkel - The Sound of Silence

*Hear my words that I might teach you
Take my arms that I might reach you
But my words like silent raindrops fell
And echoed in the wells of silence*

*And the people bowed and prayed
To the neon God they made
And the sign flashed out its warning
In the words that it was forming
And the signs said, 'The words of the prophets
Are written on the subway walls and tenement halls'
And whispered in the sounds of silence*

Paul McCartney and Wings - Band on the Run
From *Band on the Run* (1973)

*Well, the undertaker drew a heavy sigh
Seeing no one else had come
And a bell was ringing in the village square
For the rabbits on the run*

*Band on the run
Band on the run
And the jailer man and Sailor Sam
Were searching everyone*

For the band on the run
Band on the run

Yeah, the band on the run
The band on the run
The band on the run
Band on the run

Nirvana - Lake of Fire
From MTV Unplugged in New York (1994)

*Where do bad folks go when they die?
They don't go to heaven where the angels fly
They go to the lake of fire and fry
Won't see them again 'till the fourth of July*

*I knew a lady who came from Duluth
She got bit by a dog with a rabid tooth
She went to her grave just a little too soon
And she flew away howling on the yellow moon*

Bob Dylan - When the Deal Goes Down
From *Modern Times* (2006)

*We eat and we drink, we feel and we think
Far down the street we stray
I laugh and I cry and I'm haunted by
Things I never meant nor wished to say
The midnight rain follows the train
We all wear the same thorny crown
Soul to soul, our shadows roll
And I'll be with you when the deal goes down*
