Pink Floyd - *Another Brick In The Wall*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Good Day - IU (Lee Ji-eun )

A homogenous Han Chinese nation that successfully weathered the era of colonialism and managed to establish itself in a new world order with focus on science and technology and constant progress to improve the lives for all of humanity. China under the Liang Dynasty will advance as one nation and will not fazed. In the spirit of nurturing rightness and from the ashes of the former glory of Imperial China.
