Yeah...no. These are always silly and always will be, and this one in certainly a load of crap. Wait, every single one I see is.

Also, skyscraper, and signature are both spelled wrong *Grammar Nazi moment*

And I'm not heartless enough to do a happy dance because someone is going to kill themselves. Instead I would be trying to help them, no matter who they are.

"Justin Bieber" shouldn't be entirely in upper case. It looks very amateur.

Kayo Dot-The Wait of the World

Good album. Song structures are in good ol' Kayo Dot style of being completely abnormal.
