Sonic Adventure 2 OST - *A Ghost's Pumpkin Soup*

This was a rap song made for ONE Sonic level. There was NO reason for this to go this hard.

[Imperial States of Duotona](#)

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

Pretty late to the party, a mate just introduced me to Panchiko tonight.

First just listened to the album - the clear one - first - [here](#) if you want a listen. Stabilisers For Big Boys is a cocoon of a song.

Only just reading about the original CD that was picked up which had severe disc degradation aka disc rot - listening to this version is intriguing too! Whole different essence.
