U2- No Line On the Horizon 2

Hm, so far I have mixed feelings about U2's newest album, No Line On the Horizon...There are some gems but a lot of it is overproduced.

Of the 7920+ replies on this thread, I think 6000 of them are Cadonica. I don't think he ever stops listening to music. Like, ever.

Hah. Not even that close

Most replies I made into these threads was part VII with 2064 posts. But no, I never stop listening to music, like, ever. Whenever I'm not sleeping I listen to music like 90% of the time

I'm Still Here by Pearl Jam. I listen to this song once in a while when I'm feeling blue... it's powerful.

"Be sound."

I contemplated an awful thing, I hate to admit...

I just thought those would be such appropriate last words.

But, I'm still here, and small...

So small. How could this trouble seem so big?

So big...

Well, the palms in the breeze still blow green,
And the waves in the sea still absolute blue...

Catchy doesn't automatically mean good ☐
