Skinny Puppy - *Pro-test*

The dead swans lay in the stagnant pool.  
They lay. They rotted. They turned  
Around occasionally.  
Bits of flesh dropped off them from  
Time to time.  
And sank into the pool's mire.  
They also smelt a great deal.

Given I have jet-lag of at least 3 hours, I'd say that's basically almost exactly a year ago, that forum post. Likely the last previous time I listened to that nu disco song, that reminds me of the 1970s science fiction. What a coincidence.

also...

Hellberg & Aaron Richards - Synchronize
