Boards of Canada-Slow This Bird Down

Damn, I've gone through a lot of electronic music recently, and I had a lackluster music day yesterday.

186 electronic songs added to my playlist since...3 days ago? (Probably close to 4) And that's not even adding everything from albums...

15 hours of songs ☐ My god I spent way too much time listening to music this week ☐

Boards of Canada-Farewell Fire

Time to go do something else with my life.

Edit: But I've listened to like 300 songs in 3 days that I've never heard before

I did make new records of most stuff listened to. One day 32 EP's, and another day 17 LP's. After that (yesterday), I went through like half an LP and 3 EP's. Big change to cool off

Today shall be a moderate day.
