Man eats king; takes over world accidentally

Home of the legendary Mega Trollge.

"I will peg you to death" - Mega Trollge

**Mega Trollge** was a member of NS who dominated the site. He was the god of trolling. Mega Trollge has laid dormant in the site for thousands of years. A sufficient amount of trolling has been achieved throughout history. Recently, though, amounts of trolling have crashed, birthing the event "The Ancient Trollge" which is on the 23rd of September every year.

Count Apiar becomes fascinated with the cardboard box and discards the contents without even seeing what it was and quickly hides inside the box in true Solid Snake fashion.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

Çòûnt Æpâjr and Postal Dude consult a battle shaman on how to become a Count. He tells them that Çòûnt Æpâjr must kill his S.O. during the climax of "Defying Gravity" in her *Wicked* show.

However, he finds all this too much work, gets lazy and procrastinates for over a year promising he would do it, but he never did. In need of money, Count Æpâjr becomes an au pair in California.
