The McDonalds Empire is based in an alternate universe where McDonalds took over the United States. It is a tier 8 and a type 7 on this scale <https://forum.nationstates.net/viewtopic.php?f=23&t=453617> and since people but anime girls on their flags I put him in my flag, check the nation "McDonalds empire og flag"

Due to the potentially controversial nature of this episode, it should be understood that while this is being presented as a true story, it is being told purely for the purpose of entertainment.
