Pretty active around here, quite a lot!  
So I think it's pretty well known.

Merulla is the land of the brave, the fair and of the  
heroes.

A great kingdom consisting of fifteen federative like  
states, with a decentralized power, where the real king  
is the Merullean people.

Come and discover Merulla, where the waves are born.

Quite well known. If my memory is not wrong, they used to be a lot more active around F7 not so long ago, being a very recognisable name. Most likely, they still are fairly recognisable, at least for the "regulars" of this forum.
