OUR NAME IS "THE SEMPI ARCHIPELAGO" NOT JUST "SEMPI ARCHIPELAGO" but I don't really care, it's optional since I will read it as "The Sempi Archipelago" anyway. This nation (kind of) represents my views.

Intended as the second ship of a new class of battlecruisers for the United States Navy. The Lexingtons were initially envisioned as a response to the Japanese Kongō-class, but would undergo drastic redesigns following the emergence of the powerful "fast battleship" HMS Hood. In 1922, the six Lexingtons under construction were halted pending the outcome of the Washington Naval Conference. Constellation herself would be scrapped, but her sisters

Lexington and Saratoga would be converted into some of the Navy's first aircraft carriers, serving valiantly in the war against Japan two decades after their conception.
