(link removed) <- This is my go-to playlist. It's somewhat loosely based around disco, funk, pop, and house type sounds, but my overall "theme" is international lounge party. There's a pretty wide range of eras in here, but I like to think the sounds overall flow well.

Disclaimer: I try to be classy with what I'm up to in public, so nothing explicit, but there are occasional romance songs here that make it pretty clear it's Man-to-Man if you know what I mean. I respect people's desire to avoid that kind of thing if they're not into it, and don't wanna make it weird, so here's a heads up.

I'm also always down to hear new music if anyone has any suggestions that are in this general ballpark. Or other genres, really. I'll listen to almost everything, I just usually swing back into this type of music sooner or later.

(edit: link later removed, but available on request)

2Scratch - SNOW WHITE. This was one of the first songs by 2Scratch, that I had listened too, sometime in July 2022. And for some reason it reminds me of football. Sounds like the music in those football skills videos I watched back in like 2017, way before I became a more committed fan in early 2021. *Snow White rose, iced my soul; Gunner road, changed my flow; Raindrops, snow, date just, white gold; Grimey thoughts, bad bitch, love...*
