Green Day - When I Come Around
From *Dookie* (1994)

*I heard you crying loud, all the way across town
Cause you been searching for that someone
And it's me out on the prowl
As you sit around feeling sorry for yourself*

*Well, don't get lonely now, and dry your whining eyes
I'm just roaming for the moment
Sleazin' my back yard so don't get
So uptight you been thinking about ditching me*

*No time to search the world around
'Cause you know where I'll be found
When I come around*

*Well, I heard it all before, so don't knock down my door
I'm a loser and a user so I don't need no accuser
To try and slag me down because I know you're right*

*So go do what you like, make sure you do it wise
You may find out that your self-doubt means nothing
Was ever there
You can't go forcing something if it's just not right*

*No time to search the world around
'Cause you know where I'll be found
When I come around*

*No time to search the world around
'Cause you know where I'll be found
When I come around*

When I come around

Male, 23, Indonesian

Major partner in free association with [Faraby](#) (that's my puppet/secondary nation IRL).

Factbook

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Madonna - Frozen

From *Ray of Light* (1998)

*You only see what your eyes want to see
How can life be what you want it to be
You're frozen
When your heart's not open*

*You're so consumed with how much you get
You waste your time with hate and regret
You're broken
When your heart's not open*

*Mmmmmm, if I could melt your heart
Mmmmmm, we'd never be apart
Mmmmmm, give yourself to me
Mmmmmm, you hold the key*

*Now there's no point in placing the blame
And you should know I suffer the same
If I lose you
My heart will be broken*

Madonna - Ghosttown

From *Rebel Heart* (2015)

*Maybe it was all too much
Too much for a man to take
Everything's bound to break
Sooner or later, sooner or later*

*You're all that I can trust
Facing the darkest days
Everyone ran away
But we're gonna stay here, we're gonna stay here*

*Ahhhhhh, ahhhhh
I know you're scared tonight
Ahhhhhh, ahhhhh
I'll never leave your side*

*When it all falls, when it all falls down
I'll be your fire when the lights go out
When there's no one, no one else around
We'll be two souls in a ghosttown*

*When the world gets cold
I'll be your cover
Let's just hold
Onto each other
When it all falls, when it all falls down
We'll be two souls in a ghosttown*

Elton John - Rocket Man (I Think It's Going to Be a Long, Long Time)
From *Honky Château* (1972)

*She packed my bags last night pre flight
Zero hour nine a.m.
And I'm gonna be high, as a kite by then
I miss the earth so much, I miss my wife
It's lonely out in space
On such a timeless flight*

*And I think it's gonna be a long long time
Till touch down brings me round again to find
I'm not the man they think I am at home
Oh no, no, no, I'm a rocket man
Rocket man burning out his fuse up here alone*

*And I think it's gonna be a long long time
Till touch down brings me round again to find
I'm not the man they think I am at home
Oh no, no, no, I'm a rocket man
Rocket man burning out his fuse up here alone*

Elton John - Healing Hands
From *Sleeping with the Past* (1989)

*I never dreamed, I could cry so hard
That ain't like a man
I could fly like a bird some days
Had a place where I could land*

*I could have sworn, we were all locked in
Ain't that what you said
I never knew it could hurt so bad
When the power of love is dead*

*But givin' into the nighttime
Ain't no cure for the pain*

*You gotta wade into the water
You gotta learn to live again*

*And reach out for her healin' hands
Reach out for her healin' hands
There's a light, where the darkness ends
Touch me now and let me see again
Rock me now in your gentle healin' hands*

Elton John - I Don't Wanna Go On with You Like That
From *Reg Strikes Back* (1988)

*I guess this kind of thing's just in your blood
But you won't catch me carving up my love
I ain't no puzzle piece that needs to fit
If it takes more than me let's call it quits*

*'Cause I don't wanna go on with you like that
Don't wanna be a feather in your cap
I just wanna tell you honey I ain't mad
But I don't wanna go on with you like that*

Trigger The Bloodshed - *Whited Sepulcher*

CVT Temp wrote:
I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.
