The nation is "perfect Japan" or "the supposed best parts of Japanese culture, technology, and ideologies"....

or "weeb haven" as I like to call it.

Not trying to be mean or anything, but it is literally weeb haven. Tech everywhere, pretty much everyone seems to be rich, the whole nine yards. Also they use a Mi-47 stealth drone.

Identical to, I don't know, the XB-47 stealth drone? The one that actually exists?

Anyway, weeb haven.

They are the aftermath of the USA as we know it dividing into the the historic Unionist and Confederate, as well as Western American parts. It's basically just the good ol' south, but with added Alaska. Also, parts of Kentucky and Missouri went to the union, as their northern parts are more union-leaning.
