I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

Also, don't use Tyranids and Space Marines, they totally ruin my immersion in How YN Soldiers feel about fighting the AN Soldiers even though I said they're the best.
