After Man talks with his goofy crew, which is made up of your typical medieval fantasy races (plus a golem and a Grey alien wearing a Robin Hood hat), they realize that they are all Men that were killed and reincarnated into this world. After sharing a good cry, they made an oath to always stay by each others side no matter what while still retaining their goofiness. They then set off on their adventure.

He puts the copy of kingdom hearts in the microwave for one minute and watches as the cd is destroyed. He then throws the destroyed cd in the trash.
