This is a secret puppet of Anatoliyanskiy, congrats if you found this! You won't win any prizes, just the knowledge that I own way too many puppets for my own good.

This nation is based off of a real world micro nation that I started with a friend, and the nation is basically the NS equivalent of that.

Hard choice for me as a number of the parties have about an even amount of things I agree and disagree with, probably Centrist Democratic Party in the end though

My IC Character likes to collect titles, especially from foreign nations, if you would like to grant me one, you may do so here: viewtopic.php?f=4&t=482842&Start=1

Titles will be granted in return and your involvement is greatly appreciated, Thanks and may God bless you!

Only some NS Stats are canon for my nation, so better to assume they aren't rather than they are, thanks! :)

AAN: Either Liberal People's Party or Reform Party.

AN: Hard to say, probably one of Liberal Party, Libertarian Party, or New Democratic Party.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
