Both my punk and noise rock playlists just expanded immensely in...4 hours of music listening.

Hah, it only Scrobbled 126 out of 144 Melt Banana songs because there were too many short ones for it to process them properly...

Easiest 144 songs to go through ever.

"Morgenstern Luzifer" - Schattenvald

Are these "human rights" in the room with us right now?

You are the trolley problem's conductor. You could stop the train in time but you

do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time
