Centrist liberal democracy

#### Better to rule in Hell than serve in Heaven

After a terrible discovery beneath the Arctic ice sheet, Earth is overrun by a neverending horde of the infernal scourge. Humanity is absorbed into the hellish banner of pandæmonium, mutilated into cybernetic masses of muscles, and pushed into immortal sin and degeneracy. Not yet quenched with the transfiguration of Earth, Satan sets his sight on the rest of God's creations.

Socialist Republic

Welcome to the authoritarian dystopia of **South Konknan**!  
Everything is whacky here thanks to our autocratic God-Emperor who thinks the nation is his experimental lab. He currently treats it as a miniature soldiers set.
