Lupe Fiasco – Strange Fruition

"Now I can't pledge allegiance to your flag

Cause I can't find no reconciliation with your past

When there was nothing equal for my people in your math

You forced us in the ghetto and then you took our dads"

If liberty means anything at all, it means the right to tell people what they do not want to hear. - George Orwell

Wise men speak because they have something to say; fools because they have to say something. - Plato
