This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.

Ironic, coming from him...?

That's sort of the idea of the song. I used to think he was sellout, but not so much now. Ever since I saw these videos:

<http://www.youtube.com/watch?v=DDmRKyhLTro>
http://www.youtube.com/watch?v=nQ_NvomQL_4

I'm not sure I'd blame him for wanting to get away from his fans. The second video is an interview with him. It's hilarious. They way they act really reminds me of my friends.

I'm not really sure if he's changed at all in the past year, since I've never been to a concert, nor do I read up on my favorite artists (try to on him, though).

Waiting On The World To Change- John Mayer
^One of my favorite songs out there.
