U2 - Dancing Queen
[Live performance, 1993](#)

*You are the dancing queen
Young and clean
Only seventeen
Dancing queen
Feel the beat of the tambourine
You can dance
You can jive
Having the time of your life
Watch that girl
See that scene
Dig in the dancing queen*

live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

U2 - Stay (Faraway, So Close!)

[Live at Glastonbury 2011](#)

*Red lights, gray morning
You stumble out of a hole in the ground
A vampire or a victim
It depends on who's around
You used to stay in to watch the adverts
You could lip sync with the talk shows*

*And if you look, you look through me
And when you talk, you talk at me
And when I touch you, you don't feel a thing*

*If I could stay then the night would give you up
Stay, and the day would keep its trust
Stay, and the night would be enough*

Oasis - Supersonic

From *Definitely Maybe* (1994)

*You need to be yourself
You can't be no one else
I know a girl called Elsa
She's into Alka Seltzer*

*She sniffs it through
A cane on a supersonic train*

*And she makes me laugh
I got her autograph
She done it with a doctor
On a helicopter
She's sniffin' in her tissue
Sellin' the big issue*

*When she finds out
No one's gonna tell her what I'm on about
You need to find the way for what she wants to say
But before tomorrow*

*'Cause my friend said he'd take you home
He sits in a corner all alone
He lives under a waterfall
Nobody can see him
Nobody can ever hear him call
Nobody can ever hear him call*

Oasis - Live Forever
From *Definitely Maybe* (1994)

*I said maybe I don't really wanna know
How your garden grows 'cos I just want to fly
Lately, did you ever feel the pain
In the morning rain as it soaks you to the bone?*

*Maybe I will never be all the things that I want to be
But now is not the time to cry, now's the time to find out why
I think you're the same as me, we see things they'll never see
You and I, we're gonna live forever*

Elton John - Your Song

[Live performance, July 17, 2001](#)

*I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross
But the sun's been quite kind
While I wrote this song
It's for people like you that
Keep it turned on*

*So excuse me forgetting
But these things I do
You see I've forgotten
If they're green or they're blue
Anyway the thing is what I really mean
Yours are the sweetest eyes I've ever seen*

Elton John - Goodbye Yellow Brick Road
From *Goodbye Yellow Brick Road* (1973)

*So goodbye yellow brick road
Where the dogs of society howl
You can't plant me in your penthouse
I'm going back to my plough*

*Back to the howling old owl in the woods
Hunting the horny back toad
Oh I've finally decided my future lies
Beyond the yellow brick road*
