Pretty well known, from my limited perspective of this forum of a glorified book ad website from an Australian author that had a scheiBy sequel.

Currently retired. This nation (my first on this website) will be put to rest after 4 years on April 22.

A pacifist union located on the utopian planet Delotheaa. Nothing notable other than its longevity (as the nation has existed for over 10,000 years) and its unusual ability to repel invasions.
