I honestly wouldn't assume so anyway. Lechia is too schizophrenic to be representation of unironic beliefs, in my opinion.

You're libleft because you hate capitalism

Everyone is libleft because the Political Compass is 'libleft' propaganda that portrays every single politician other than those the authors' explicitly like (see: Mike Gravel to the right of Donald Trump) as the REAL EXTREMISTS in a poor attempt to make people think 'wow i didn't know i aligned so much with this person...' Nobody has actually, legitimately ended up outside that quadrant answering the test honestly.
