Pretty damn well known, especially here in F7. Not quite sure about the rest of the forums though, or for anything related to gameside since I don't pay any sort of attention to anything like that.

Free Jeililand is a strong, patriotic society of settlers exiled from a failed state that didn't respect the citizen's right to refuse to participate in a chaotic, uncontrolled, and vile society.

That's why the federal police force control everything instead of the government. How orderly and well kept!
