Made this for the memes. I want all the hate, it invigorates my soul.

Yes, that's a Huey on my flag.

A borderline anarcho-capitalist, PMT Chile in the bitingly near future. Augusto Pinochet's granddaughter, now the owner of a military technology company, gains influence through her prowess at the market and her perky personality, and is now Chile's president.

Support of [Democratic Ecuadorian Territories](#). Only put this here because I was suggested by too many to follow "the rules of etiquette" (It's supposed to be a meme so one would know what I'm talking about).

Your flag looks like it belongs to some kind of American first nation and they aren't that scary, are they?

This Nationstate is not fascist, we condemn fascism and are a Non-Aligned country.

We are socialists, as our government cares about its citizen, offering free healthcare and helping citizens in need.

This nation reflects some but not all of my IRL political views.

Long live Kalabrien! Long live The Confederacy of Aligned Nations!

NOTE: When you go to read my factbooks, open the "dispatches" section, not the "factbooks" section. All of the factbooks will be in there.
