Not that well known; have never seen them before and fairly low post count.

Colossal modern island nation in the North Atlantic. Ruled by a compassionate yet slightly-unhinged king, with a very isolationist yet empathetic populace. Notable characteristics: terrifyingly mighty air force and navy, world famous cars, legendary blend of wildlife.

Flag created by the legendary Almonaster Nuevo.

NS stats are canon except for population; factbook started. Some things are my RL views, some things are not. If curious, feel free to telegram.

Never seen 'em. Feel like I should, can't say I have. So...maybe well-known in other forums? But not on F7.

Maybe less well known among new F7ers, but they are very well-established, at least in this subforum. Can't speak for the other ones.

Ninja'd. Moderately well-known in F7. Again, can't speak for the other subforums, so maybe less there.
