I definitely think I could manage living there, at least the geography and many of the faces are familiar. Although I differ a lot ideologically from their Government, it's a free enough society that I wouldn't feel unsafe.

Unfortunately no. While it seems like a nice place, the Income Tax is FAR to high for me to accept and also the Communist influences persisting.

It's not ideal, but looks about as good as a Western-type nation can get, so yeah, I'd live there.
