They're recognizable, but still not super well known.

ninja'd.

similarly, one of the more recognizable F7 regulars and II RPer, so it would be a mistake to say they're not very well known in those respective forums

Not that well known, honestly the first time I've seen em and I've been a pretty active regular on the rest of my nations, I guess I just haven't been on P2TM often enough, I give it a 5.7/10.

Yeah, uh, 9/10. Whole shtick and everything alone makes them known and unique enough, they've been posting quite regularly on NSG and I've seen them region-hop as well, alongside F7 posting. Most people have likely heard of them as well.

FUCKING DOUBLE NINJA'D WHY DOES THIS ALWAYS HAPPEN

Eh, more of a 8/10. I see them on most F7 threads and I've seen them in a few other boards. Pretty well known all around, especially looking by post count.

Recently created but already have a hundred posts? Definitely not much known but very active. Not me though, I've barely seen them. 5/10
