BN: It's MMP time! Choose one party you'd vote for FPTP and one for PR.

I've been on this site for 2 years. I don't know if this is an accomplishment or just sad.

“

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
