He tells him to take a shower (both literally and figuratively) or else he will be stabbed.

Melonfarmerman consults the other melons, they advise for reform. Melonfarmerman reluctantly agrees. Now with Melonfarmerman, the original melons and cuboid Japanese melon hold a general vote on a new isolationism policy, it is a pass among all the melons, Nescos Du Hiliad Soviet has now become the Isolationist Confederation Of Nescos Du Hiliad.

The leaf grows into a creature that looks like a cross between an asari and the jolly green man, and the fights to the death against the japanese melon. Man sits back and watches the fight while eating popcorn.
