NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

Monkey 9571 cursed on this good Christian Minecraft server.

"The Barons of England demanded the Security of Law *for Themselves*, the Patriots of America proclaimed the Security and Protection *for All*. **All men are equal before the Law.** No matter upon what spot of the Earth's surface they were born; no matter whether an Asiatic or African, a European or an American Sun first burned upon them; no matter whether citizens or strangers, no matter whether rich or poor, no matter whether wise or simple, no matter whether strong or weak, this new Magna Carta to Mankind declares the rights of All to Life and Liberty and Property are Equal Before the Law."
