Their nation comprises of islands with whitewashed buildings that also act as a tourist attraction, along with their Mediterranean climate. As a result, their towns as well as the surrounding environment are usually well-cared for and tourists tend to enjoy to sail around the islands on their rented boats.

They have a rich turkic history

Tutto è possibile, Entro i nostri limiti

In Italian it means
Anything is possible, within our limitations
Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
