5/10 normally a happy emoticon would mean 0/10, but the fact that it is winking alongside the message of "This isn't a flag" could mean something sketchy.

I **cannot** take any music later than 1980, with a few exceptions.

10/10 only evil places their Canton like that.

IC name does not include Gaia in it, it's just 'United Nations', NS stats are not canon and are not used.
