Indonesia, probably.

Might be the US.

US, Canada, obscure sci-fi plus weird sports = this.
NS stats **are** used (for now). Population is 231M.
Refer to [canon NS policies](#) when in doubt.

If men were angels, no government would be necessary. If angels were to govern

men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
