CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Since Lillorainen's geography is currently being overhauled a 'tiny' bit, most information on it posted before December 12, 2018, is not entirely reliable anymore. Until there's a new, proper factfile, everything you might need to know can be found [here](#). Thank you. [#RetconOfDoom](#) (Very late update, 2020/08/30 - it's still going on ...)

Queensrÿche - Revolution Calling

*They're all in Penthouse now  
Or Playboy magazine, million dollar stories to tell  
I guess Warhol wasn't wrong  
Fame fifteen minutes long  
Everyone's using everybody, making the sale*

*I used to think  
That only America's way, way was right  
But now the holy dollar rules everybody's lives  
Gotta make a million doesn't matter who dies*

*Revolution calling  
Revolution calling  
Revolution calling you  
[There's a] Revolution calling  
Revolution calling  
Gotta make a change  
Gotta push, gotta push it on through*
