You know what? Yeah. I love tea. Sure, the politics would drive me insane, but that's okay. I always wanted to be the Mad Hatter, anyway.

Ninja'd.

No. That tax rate is too high, and no guarantee of tea reparations.

yes

Saire Weevia started as a British Colony, then it was conquered by Russia, it became the only English-speaking republic of the USSR after the October Revolution, and then when the USSR collapsed they kept their flag rather than changing it and democratized their communism rather than adopting capitalism

From a glance, I'd be on the fence.

While the govenment is hella corrupt, crime is literally everywhere & people die at roughly the same rate as insects. They're top 10% in tourism.

If I stuck to the tourist spots like glue, then I would likely have a nice enough time. But I'd be stabbed and mugged otherwise.

Y'know what, I'll pass.
