I've seen Austro-Bavarian states now and then on F7, albeit less recently due to my own inactivity, I would happily say they are decently well known, by our interactions, I would say they are known for mostly good reasons! I hope you see them more often, and I'm delighted to say that they are most definitely a nice face to see on F7!

They/Them Ace/Aro, Always in character, everything is canon, EVERYTHING

Our nation name is "Silencea". "Cult of" is our pretitle. Also no we aren't actually silent, its more of a figurative silence than literally not talking.
