Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

Interesting color scheme. Is that the fox's tongue or is it breathing fire?
